WHAT CAN I DO WITH A MAJOR IN …  FINANCE

PROFESSION OVERVIEW:
Managers need finance to identify and manage risk, to decide whether to make capital expenditures or produce new products, and to find funding sources for their firms. Individuals use the principles of finance to set long-term financial goals and to make personal investment decisions. Areas of study in the field of finance include financial management, banking, planning, investments, insurance, money flow, real estate, and financial services.

SAMPLE OCCUPATIONS:
Please ask your Career Advisor (CDF) for help in identifying additional occupations for your major or additional resources for each of the occupations. Note that some of these options may require an advanced degree.
