WHAT CAN I DO WITH A MAJOR IN … SECONDARY EDUCATION

OCCUPATIONAL OVERVIEW:
Middle school teachers and secondary school teachers help students delve more deeply into subjects introduced in elementary school and expose them to more information about the world. Middle and secondary school teachers specialize in a specific subject, such as English, Spanish, Mathematics, History, or Biology.

EMPLOYMENT REQUIREMENTS:
50 states and the District of Columbia require public school teachers to be licensed. In most states a prerequisite for licensure is a bachelor’s degree. Usually licensure is granted by the State Board of Education or a licensure advisory committee. Requirements for regular licenses to teach kindergarten through grade 12 vary by state.

GENERAL WORK ACTIVITIES:
- **Training and Teaching Others** — Identifying the educational needs of others, developing formal educational or training programs or classes, and teaching or instructing others.
- **Communicating with Supervisors, Peers, or Subordinates** — Providing information to supervisors, coworkers, and subordinates by telephone, in written form, e-mail, or in person.
- **Thinking Creatively** — Developing, designing, or creating new applications, ideas, relationships, systems, or products, including artistic contributions.
- **Making Decisions and Solving Problems** — Analyzing information and evaluating results to choose the best solution and solve problems.

SPECIFIC CLASSROOM ACTIVITIES:
- Establish and enforce rules for behavior and procedures for maintaining order among the students for whom they are responsible.
- Observe and evaluate students’ performance, behavior, social development, and physical health.
- Adapt teaching methods and instructional materials to meet students' varying needs and interests.
- Plan and conduct activities for a balanced program of instruction, demonstration, and work time that provides students with opportunities to observe, question, and investigate.
